

IMPORTANT DATES

The WILL Spring course list will be posted on our website, <http://www.will-learning.com> on **Tuesday, January 12, 2010**. This is your opportunity as a member to have first crack at seeing the new courses and signing-up for up to five preferences.

The Social Sign-Up will be at 5:00 pm on **Thursday, January 21, 2010**. This is a great time to meet other members and to sign up for extra courses that may still have open slots. Courses will begin the week of February 1 and thereafter.

WILL's Social Committee is inviting all members to participate in a Contest. Bring your favorite appetizer dish to the WILL Social, 4:45 pm, January 21, 2010. Each person entering a dish will get one lottery ticket per dish, with a drawing to be held at the end of the informational meeting that night. Each dish should serve about 15 people.

The prizes are: \$150 first prize, \$50 second prize, \$25 third prize. This will be the only food offered during the Social Sign up in January. So come one, come all and show us your gourmet cooking skills or your fun dishes. Social Committee will provide drinks and utensils (except bring utensil to serve your dish).

Please contact Jane Vanvig or Patty Reed at <http://www.will-learning.com> or 538-3602 by January 1, if you will be bringing a dish.

CURRICULUM COMMITTEE NEWS

WILL is happy to announce that John Lawson is the new Curriculum Committee Chairperson, and Annie Lessem and Doug Dexter are replacing Tom Hester as the Course Developer.

The curriculum committee is always interested in learning about your ideas for course offerings or individuals who might be interested in facilitating a course. Our emphasis has been on finding great facilitators and then giving them the freedom to develop a topic and plan a course as they wish.

The number of class sessions, length of meetings, beginning date and maximum class size are all factors the facilitator can establish. We are interested in learning about what you would like to see offered in future WILL courses. We are actively looking for course ideas and facilitators for the Fall 2010 term, which begins in September 2010. Let

us know of your interests, dreams, plans and possibilities. WILL is successful because of member involvement, creativity and effort. Send your ideas to Annie Lessem at 534-0099 or quixotic.meow@gmail.com
